KEEP THE HOT AIR HOT.
KEEP THE COOL AIR COOL.

“

Everyone at Sun Solar will go out of their way to show you how you can save on your electric bill. They are professional and knowledgeable about going solar.

- Robert Reeves, Republic, MO

”

“

This company has what many companies are missing today and that is amazing customer service. We have had an AWESOME experience from day one, and this does not even include the amazing savings we are seeing. Thanks for all that you do!

- Andrea C. - Springfield, MO

”

“

Sun Solar continues to impress us with not only good product, but good people. They are true leaders in the industry as both professionals and civil servants. It's been impressive to watch the company grow and lead the solar industry in our part of the country.

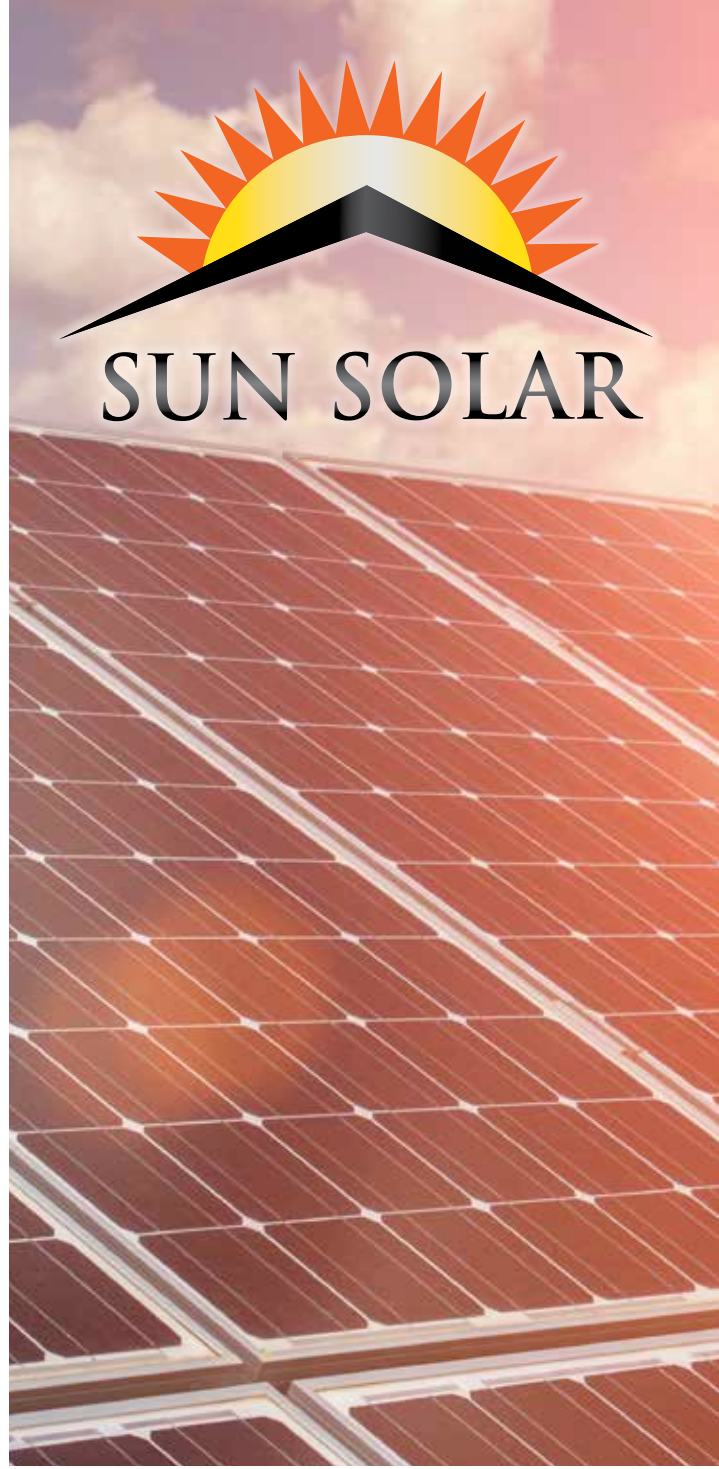

- Matt O'Reilly, Springfield, MO
