

Limited Warranty for WINAICO Photovoltaic Products (PV Products) Effective 01/01/2014

Congratulations on your purchase of WINAICO Photovoltaic Products! You have made an excellent decision in choosing a Product that has been made to the highest standards. At WINAICO, we believe to provide impeccable quality on all Products is our founding principle.

1. Warranted Products (the “Products”)

WINAICO WST AND WSI series:

<i>WST-235P6</i>	<i>WSI-130P6</i>	<i>WSI-240P6</i>	<i>WSI-135M6</i>
<i>WST-240P6</i>	<i>WSI-135P6</i>	<i>WSI-245P6</i>	<i>WSI-140M6</i>
<i>WST-245P6</i>	<i>WSI-140P6</i>	<i>WSI-250P6</i>	<i>WSI-145M6</i>
<i>WST-250P6</i>	<i>WSI-145P6</i>		

This limited warranty product does not allow for the transportation of goods between continents and will become null and void if the Product is transferred from the original country of destination after manufacture without prior written permission from WINAICO.

2. 10 year Limited Product Warranty

WINAICO’s Warranty extends only to the first purchaser in Product’s original country of destination (“Customer”) for a period of Ten (10) years (“Warranty Period”) from the first documented date of purchase (“the Warranty start date”), that the Products, including factory assembled DC connectors and cables, will be free from any defects in design, material, workmanship or manufacture that will impede their output performance, in terms of the applicable specifications and drawings on WINAICO’s Website www.winaico.com/

To qualify for this warranty, the Product must be installed by a licensed and qualified installer adhering to guidelines provided in WINAICO’s installation manual, with Products, cables and connectors secured correctly and the Product being installed in an appropriate location. Any damage to the cables, caused by abrasion on a rough lower surface owing to insufficient fixing or to running of the unprotected cable over sharp edges, is not covered by this warranty, nor is any damage caused by animals or incorrect installation location. Please note, installation not done with licensed installer, as stipulated under WINAICO’s installation manual, will void this Warranty.

Normal tear and wear, such as but not limited to, scratches, stains, mechanical wear, rust, mould, optical deterioration, discoloration and other changes, which occurred after delivery from WINAICO will not be covered by this Warranty. Warranty claim for glass breakage will not be covered if such damages were caused by unforeseeable events such as storm or hail or caused by accident attributable to Customer or other third person.

3. 25 year Limited Power Warranty

WINAICO further warrants to the Customer that for a period of one (1) year from the date of first purchase that the power output of the Products will not be less than ninety seven percent (97%) of the minimum rated power output specified in the applicable Product data sheet at the date of original sale by WINAICO. For each subsequent year from year two (2) to twenty-five (25) from the date of sale WINAICO warrants to the Customer that the power output of the Products will not degrade by more than 0.7% per year below the minimum rated power output specified in the applicable Product data sheet at the date of original purchase (the "Power Warranty") and that at the end of the Power Warranty, the warranted Product output will be at least 80.2% of the minimum rated power specified in the applicable Product datasheet.

In the event of breach of the Power Warranty, WINAICO, at its sole discretion, will undertake one of the followings:

- a) Repair or replace Products or to provide additional Products at no cost to make up for power loss as determined in the manner stipulates under subclause (c); or
- b) Pay compensation equivalent to the cost at the date of the claim was made for additional Products required to compensate Excess Power Loss as described in subclause (c). If the originally supplied Product type is no longer in production then WINAICO, at its discretion, can provide equivalent Product(s) to compensate for Excess Power Loss . For determination of power degradation, Products shall be tested with a WINAICO approved Flasher and results at STC conditions shall be compared to the power listed on the Product label (measurement tolerance of +/- 3%).
- c) Excess Power Loss will be determined by testing procedures approved by WINAICO and, at WINAICO's option, tested under the supervision of authorized WINAICO personnel but will only apply if power loss is more than three percent (3%) during the first (1) year or more than 0.7% per year degradation for years two (2) to twenty-five (25) and which is determined by WINAICO to be due to defective materials or workmanship with respect to the Products.

4. Limitations

The "Limited Warranty" does not apply to any Products to which any of the following applies:

- a) Modification, customer repair, misuse, abuse, neglect or accident;
- b) Failure to comply with WINAICO then current Solar's installation manual;
- c) Service by technicians who are not licensed to install & service Photovoltaic systems under the relevant law and/or applicable regulations at the place of installation;
- d) the Product's type, nameplate or Product serial number is changed, erased or made illegible (other than by any act or omission of WINAICO);
- e) the Product's installation on a mobile road-going vehicle (including but not limited to Recreational Vehicles, or Caravans), other than photovoltaic tracking systems or on marine installations;
- f) exposure to incorrect voltage, power surges or abnormal environmental conditions (such as acid rain or other pollution);
- g) a failure of defective components in the structure on which the Product is mounted;
- h) exposure to mould discoloration or similar external effects;

- i) exposure to any of the following: extreme thermal or environmental conditions or rapid changes in such conditions, corrosion, oxidation, unauthorized modifications or connections, unauthorized opening, servicing by use of unauthorized spare parts, accident, force of nature (such as lightning strike, earthquake), influence from chemicals or other unforeseeable event or event that occurs beyond WINAICO's reasonable control (including but not limited to damages caused by fire, storm or flood)

5. Assertion of claims

If you wish to make a Warranty claim on the grounds as specified in article §2 and §3, you are advised to write to your seller/dealer of whom you purchased the Product from of the alleged defect. If the relevant seller/dealer no longer appears to in business (due to business closure or insolvency), you may also send your claim directly to the address mentioned in 6). Kindly note, any claim of defects send to WINAICO must be accompanied by a copy of the original dated receipt as proof of purchase.

Notice of the claim must be submitted to the relevant seller/dealer or to WINAICO within six weeks of the occurrence of the alleged defect. The return of Products for assessment is permitted only after the written consent of WINAICO has been received by the customer.

5A. Australian Consumer Law

The Products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Products repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure.

7. Severability

If a part, provision or clause of this “Limited Warranty for PV Products”, or the application thereof to any person or circumstance, is held invalid, void or unenforceable by a competent court, such holding shall not affect all other parts, provisions, clauses or applications of this “Limited Warranty for PV Products”, and such other parts, provisions, clauses or applications of this “Limited Warranty for PV Products” shall be treated as severable.

8. Disputes

In case of any dispute under a warranty-claim, a first-class international test-institute such as Fraunhofer ISE in Freiburg/ Germany, TÜV Rheinland in Cologne/ Germany or ASU Arizona State University shall be appointed by WINAICO to determine the claim and its determination will be final and binding on all parties. All relevant costs and expenses of that determination shall be borne by the unsuccessful party, unless otherwise awarded.

9. Exclusions

WINAICO makes no other warranties, express or implied, with respect to Products and its manual as described in this Warranty. In no event shall WINAICO be liable for direct or indirect, incidental or consequential damages resulting from any defect in Products, even if WINAICO has been advised of the possibility of such damage. To the full extent allowed by the relevant law, all warranties implied by law, if any, including but not limited to any implied warranties of merchantability and fitness for a particular purpose, are hereby excluded.

10. Liability

To the full extent allowed by the relevant law, WINAICO's liability to a Customer under these warranties is limited to performance of the remedies specified herein and in any case shall not exceed original purchase amount paid for the relevant Product. In no event shall WINAICO be liable damages not stipulated under this Warranty and are in association with or arising out use of Products for personal injury or property damage or for any indirect, incidental or consequential damages or lost profits, whether such damages claim are to be based on negligence, contract, tort, strict liability or otherwise.

11. Legal Rights

This warranty will be governed by the laws of the country of first destination and installation of a Product.
